

# Rapid Rinse Station™

Rinse. Dry. Store.

## Press to Rinse, then Dry and Store

Blendtec's Rapid Rinse Station provides the fastest and most effective way to rinse, dry and store jars the industry has ever seen. Quit wasting time walking over to the sink, hand drying jars and wasting water. Save up to 2 minutes between blends and use 2/3 less water with Blendtec's groundbreaking Rapid Rinse Station.

## Place the Rapid Rinse Station Wherever You Want

Now employees can blend and rapidly rinse without taking a single step. The Rapid Rinse Station is designed to be placed in the most effective location in your store, regardless of where your sink is located.

## Size Doesn't Matter

The Rapid Rinse Station is perfect for rinsing all Blendtec Jars, other blender jars and other items from a shot glass up to an eight-inch bowl.
