

# Self-Serve Smoothie Machine

Hassle-free smoothies at the touch of a button

**Now you can offer your customers a full line of smoothies.**

Smoothies now have more menu appearances than shakes, and command a higher price point with better profit margins\*. If you own a c-store or restaurant and thought the lucrative smoothie market was beyond your reach, think again. The Blendtec Self-Serve Smoothie machine makes it possible for you to immediately tap into this new revenue stream.

\*Mintel Report Made to Order Smoothies and Shakes - US - December 2010

# Claim your piece of the smoothie market.

Take advantage of the highly profitable market for blended drinks with the one-of-a-kind Blendtec Self-Serve Smoothie machine. With virtually limitless flavor combinations to choose from, there's a blend that each and every customer is sure to enjoy!
