

Making Life Smoother.

## SpaceSaver®

Big power, tiny footprint

## Make the most of your existing counter space.

In any restaurant, coffee shop or eatery, when it comes to valuable real estate, the countertop is king. Get the most value from yours with the Blendtec SpaceSaver – delivering legendary Blendtec power, speed and consistency.

COMMERCIAL

# World-class performance in a smaller package.

You don't need a huge countertop to profit from having the world's most powerful, advanced commercial blenders. In fact the SpaceSaver® rests either above or below your countertop – turning a few square inches of counter space into an even better source of high-margin revenue.

## Standard Features

### POWER

- Powerful 15-amp direct-drive blender motor
- 1800 Watts

### CONTROLS

- No-tend touchpad controls
- 30 pre-programmed blend cycles
- Blue LCD display

### FOOTPRINT

- High revenue per square foot
- In-counter or countertop use

### VERSATILITY

- Compatible with Blendtec's patented FourSide™, WildSide™ and Twister™ Jars

## Power, speed, consistency.

A 15-amp motor, combined with dead-simple, one-touch operation, means your SpaceSaver will serve up menu items more quickly and consistently than any other blender.

## More menu items for even greater profit.

The SpaceSaver is compatible with all Blendtec jars, so you can expand your menu offerings in a single sweep. Your SpaceSaver can produce anything from fresh-made hummus to delicious smoothies to incredible margaritas and more!
